Plants are packed by us and billed F.O.B. with Certificate of Inspection, from our shipping point

Shipments travel as cost and risk of the purchaser and claims for any cause must be made on receipt of goods.

If any nursery stock proves untrue to description under which it is sold we shall be liable to the purchaser only to the extent of amount of the purchase price of such nursery stock, and we, except to such aforesaid agreed liability, give no warranty expressed or implied as to description, ability, productiveness or any other matter.

We guarantee the life of NO plant.
